Pet Policy

The Dundee Housing Commission allows for pet ownership in its developments with the written pre-approval of the Housing Authority.

The Dundee Housing Commission adopts the following reasonable requirements as part of the Pet Policy:

1. Residents are responsible for any damage caused by their pets, including the cost of fumigating or cleaning their units.
2. In exchange for this right, resident assumes full responsibility and liability for the pet and agrees to hold the Dundee Housing Commission harmless from any claims caused by an action or inaction of the pet.
3. Residents must have the prior written approval of the Housing Authority before moving a pet into their unit.
4. Residents must request approval on the Authorization for Pet Ownership Form that must be fully completed before the Housing Authority will approve the request.
5. A pet deposit of \$300.00 is required at the time of registering a pet.
6. The Dundee Housing Commission will allow only common household pets. This means only domesticated animals such as a dog, cat, bird, and fish in aquariums. Common household pets do not include reptiles.

All dogs and cats must be spayed or neutered before they become six months old. A licensed veterinarian must verify this fact.

Only one cat or dog per unit.

Any animal deemed to be potentially harmful to the health or safety of others, including attack or fight trained dogs, will not be allowed.

No animal may exceed twenty (20) pounds in weight projected to full adult size.

7. In order to be registered, pets must be appropriately inoculated against rabies, distemper and other conditions prescribed by state and/or local ordinances. They must comply with all other state and local public health, animal control, and anti-cruelty laws including any licensing requirements. A certification signed by a licensed veterinarian or state or local official shall be annually filed with the Dundee Housing Commission to attest to the inoculations.
8. The Dundee Housing Commission, or an appropriate community authority, shall require the removal of any pet from a project if the pet's conduct or condition is determined to be a nuisance or threat to the health or safety of other occupants of the project or of other persons in the community where the project is located.
